New(er) FlipHTML-5

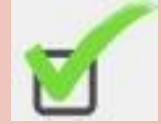

Far more efficient ! . . . for Us!

- (page creation / editing & re file size etc

- **FASTER** (than older FlipPAGE   compatability
                                        somewhat compromised

- MORE Compact . . . for Our Cloud Hosting

ADDED Features
- BOOK-Case Overview

- **Supplier Catalogs**
- **PRODUCTS**
- **EXTENSIVE Technical LIterature**

Limitations
- No AUD Pricing YET! . . . in this format
- Extensive Catalog additions 2015+ OUR standard FLIP
- SEARCH Results NOT Currently highlighted

- **FULLY Compatible with . . .**
    PCs; ApppleMAC; I-PADs,
    Mobile Phones . . . inc Androids

Modern versions have "zoomable" auto-formatting "screens"
but they can still be a "pain in the - - - - !
